3. Self-Regulatory Organization's Statement on the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

Through this filing, the Exchange is proposing to alter its schedule of fees for Participants to repeal the Trade Processing Fee credit currently paid to institutional brokers. The Trade Processing Fee credit is a credit paid to CHX institutional brokers based upon the amount of Trade Processing Fees³ collected by the Exchange from the parties to a non-tape, clearing-only submission.

Currently, the Fee Schedule provides for a Trade Processing Fee credit of 4% per side of the Trade Processing Fees received by the Exchange paid to the originating broker, plus 12% of

³ Section E.7. of the CHX Schedule of Fees and Assessments

the Trade Processing Fees received by the Exchange paid to the broker of credit, for the portion(s) of the transaction handled by the broker of credit. The Exchange proposes to eliminate the Trade Processing Fee credit currently paid to institutional brokers while retaining the Trade Processing Fee charge to Participants for this service. The Exchange plans, under a different rule filing, to propose rules relating to non-tape, clearing-only submissions and does not believe that it is appropriate to consider providing credits associated with Trade Processing Fees until these rules have been submitted to, and approved by, the Commission.

(b) Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members. The Exchange plans, under a different rule filing, to propose rules relating to non-tape, clearing-only submissions and does not believe that it is appropriate to consider providing credits associated with Trade Processing Fees until these rules have been submitted to, and approved by, the Commission.

4. Self-Regulatory Organization's Statement of Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.
